Re: Recommendation for Mr. Glen Dawursk, Jr.

During his years as language arts teacher at Martin Luther High School, I was Mr. Glen Dawursk's department chairman and responsible for periodic observation and evaluation of his teaching. I found him to be an energetic teacher whose strength lay in speech and communication instruction. His rapport with students was effective, especially with those students who enjoyed Glen's hands-on approach to some aspects of his radio and television units of the Communication and Mass Media course.

Mr. Dawursk organized, implemented, and successfully managed an innovative and complex student contract approach in several of his classes. He has a creative mind and is able to devise a great variety of quality experiences for the students. Additionally, Glen has both the energy and ability to sustain a variety of projects simultaneously.

As a member of the department, Mr. Dawursk was instrumental in recommending computer software, creating evaluation forms and instructing other teachers in both hardware and software. His knowledge of and ability with computers was a great benefit to our department.

I recommend Mr. Glen Dawursk to you as a capable and enthusiastic teacher. If you should need further information, I am available at Martin Luther High School during the summer also. The phone number is 421-4000.

Sincerely,

To Whom It May Concern:

It is my pleasure to recommend Mr. Glen Dawursk to you as an administrator in your district. I have known Glen for 9 years and have worked with him on many occasions in educational and youth programming settings. He is by far the best teacher and administrator I have ever had the privilege of working with and would be a huge asset to any staff.

Glen is a strong leader that leads by example with his students and his staff. He sets clear, realistic goals and objectives, and provides guidance to reach them. When appropriate, he elicits the students' and staff's input in setting goals and the means by which they should be achieved. Mr. Dawursk has an incredible vision for the future and its possibilities. His enthusiasm and creativity are contagious and make him a great leader and team player of any group. He sets high standards and always holds his staff and students accountable to them. Glen's expectations are realistic and fair. He always includes the people involved in the decision-making process, creating ownership and accountability.

Mr. Dawursk has a passion for education. He is a natural born leader and an expert in his fields of study. Glen continues to take post-graduate classes to further his already extensive knowledge base. He is truly a lifelong learner and instills this same motivation and enthusiasm for learning in his staff. As a teacher, Glen provided hands-on experiences which activated students' prior knowledge and assisted them in making relevant cross-content, real-life connections. He has always been persistent and determined to improve students' knowledge and ability. Mr. Dawursk is a mentor and a positive role model for both his colleagues and students. He is often found in his office after school providing advice, tutoring, and problem solving with parents, students, and staff. His staff definitely reaps the benefit of having an administrator that is also an exceptional instructor; one that goes above and beyond teaching from a textbook.

Mr. Dawursk has an excellent rapport with his students, staff, and parents. He approaches every interaction with mutual respect and a willingness to listen. He is honest, trustworthy, and not afraid to share himself with his students and staff. His impeccable school management style can be attributed to all of these characteristics along with his clear expectations and consequences. Mr. Dawursk's organization, flexibility, and ability to multi-task make him an excellent addition to any staff. It is without reservation that I recommend Mr. Dawursk to you as an administrator for your school district. If you have any further questions, please do not hesitate to call me at (262) 352-9558.

Sincerely,

To Whom It May Concern:

I am writing this letter in reference to Glen Dawursk. I am a Special Education teacher at Wisconsin Career Academy (WCA) in Milwaukee, Wisconsin. I have had the pleasure of working with Glen throughout the past school year. Glen Dawursk has successfully served as both an English teacher and the Dean of Students.

Glen has been a great inspiration to both the staff and students at WCA. He holds high expectations for the entire student body, as well as for himself. He strives for excellence in all aspects of life, and encourages others to expect the same. He is able to get students to see the important connections between the classroom and the outside world.

Mr. Dawursk also serves as a wonderful role model to students. He encourages students to make appropriate decisions. Mr. Dawursk exudes confidence and an amazing strength of character, and in turn is well respected by students and faculty alike.

WCA is a better place because of Glen Dawursk. I believe that he genuinely cares for every student and their education. He has been a great asset to WCA and I know that he would be a great addition to any school. It is without any reservation that I recommend Glen Dawursk for any available positions in your school district. Please contact me with any questions at (847) 997-2867.

To Whom It May Concern:

I am writing this letter of recommendation for Mr. Glen Dawursk, an employee of LEVTI. Throughout the life of a school, an administrator looks for multiple qualities in an instructor. I have been blessed with loyalty and expertise from this man.

Mr. Dawursk is a computer program guru. He has done wonders with incorporating the English department entirely on-line. His ability to "wire" a program has increased retention of the subject while enhancing accessibility for all students.

Glen's attendance accountability is exemplary. He will not miss. We are a small school and to lose one teacher in the course of a day draws heavily upon our human resources. Mr. "D" is an employee that I know I will not need to replace for absenteeism. He is a definite constant.

Loyalty seems to fade as the generations of workers change. Mr. Dawursk is an up-front guy. He will come directly to you and not behind the scenes. He is honorable and trustworthy. He has always done everything to help our school, our staff and our students.

I encourage you to hire Glen. However, you must return him in the fall. If I can be of any further assistance, please contact me at 414-362-9710, extension 212. I will gladly confirm this letter.

Sincerely,

Ms. Diane N. Conrad

To whom it may concern:

I am most pleased to submit this letter of recommendation on behalf of Glen Dawursk. Glen is the 7/8 Language Arts teacher at Central City Cyberschool. I am the 7/8 Science teacher at Central City Cyberschool and was fortunate enough to have worked closely with Glen throughout the school year.

It is my belief that Glen will be a valuable addition to the staff and community of any school. He is a person of excellent moral character and brings many positive traits into the classroom. Glen is experienced, intelligent, enthusiastic, cooperative and genuinely cares for his students. He is an outstanding role model who consistently demonstrates qualities of honesty and compassion.

In addition to having excellent personality traits, Glen also has an exceptional work ethic. His classroom is well structured, organized and motivating. Glen has successfully considered the individual needs of his students and has made every effort to differentiate for individuals, while maintaining high standards. Glen has made himself available to all students by participating in the after-school, Community Learning Center program. He has also been very instrumental in technology instruction and assistance for both students and staff. One of Glen's greatest assets is his ability to collaborate with colleagues and work as a team player.

Last, but not least, Glen demonstrates excellent classroom management. He clearly lets his students know what his expectations are. Glen consistently uses a variety of structured and positive methods to redirect disruptive students. Glen is a master at creating a positive classroom environment where students feel nurtured and are able to thrive both academically and personally. Glen has an excellent rapport with parents, students and staff, and demonstrates exemplary communication skills.

Glen will be a great asset to any district who is looking for an educator who is experienced, motivating and cares about each of the students he teaches. I am confident that no matter where Glen teaches, he will have a great impact on the learning and growth of his students.

Sincerely,
